LOT 2557 - 1965 CHEVROLET CORVAIR 110 VIN: 105395W164190 4 DOOR

Description

The Chevy Corvair is one of the most unique cars ever made, and there's nothing like it being made on the market today. It was produced for less than a decade, and examples are extremely hard to come by, especially ones in this kind of condition. This rear-mounted, air-cooled engine model is powered by an inline 4-cylinder engine, with an automatic transmission. It rolls on steel wheels and the odometer reads 47,843 miles.
