LOT 2637 - 1988 FORD MUSTANG GT VIN: 1FABP45E8JF181238 CONVERTIBLE

Description

The Fox body Ford Mustang is one of the coolest cars ever made. Not only was the body style unlike anything else on the market, it was a very potent pony car. Many of them have been made into track beats, so it's rare to find one in this kind of condition. It is powered by a 5.0-liter V8 engine, which is backed by an ultra-fun 5-speed manual transmission. Features include cruise control, leather interior, ac and heat, and power windows and locks. It rolls on alloy wheels and the odometer reads 94,678 miles.
